ACADEMIC EXPERIENCE

Experience Design and Management Department
Brigham Young University, Provo, UT

- 1999-present *Professor (2006)*
Associate Professor (1999 – 2006)

Associate Dean, Undergraduate Education/General Education (2016 – 2020)

Under the direction of and in collaboration with the Dean of Undergraduate Education, developed a proposal for and received approval of a multi-year plan to conduct a complete redesign of the General Education program. This initiative provided me the opportunity to meet with many levels of university administration and with the leadership of every college on campus as well as meet with faculty from every department across campus.

Managed and directed the General Education (GE) program with the following responsibilities:

- Chaired the Faculty General Education Committee which reviewed every general education course on a 3-year rotation as well as approved new GE courses.
- Chaired the Advanced Writing and Oral Communication (AWOC) committee to review and approve AWOC classes.
- Chaired the GE petitions committee and reviewed student petitions regarding GE courses.
- Served on the university curriculum council.
- Served on the International Study Program Oversight and Advisory committee.
- Created and co-chaired the Study Abroad GE (SAGE) executive and oversight committees which developed a new process for reviewing proposals for GE-centric study abroad programs.
- Directed the annual assessment of GE program learning outcomes
- Conducted annual performance evaluation reviews of administrative staff under my supervision

Professor (2006 – 2017; 2020 - present)

Attend to and strive to excel at the multi-faceted work of teaching, research, and citizenship as detailed throughout my vita.

Department Chair (2006 – 2015)

Completed three 3-year terms as department chair. The first term was in the College of Health and Human Performance (CHHP) and the second two in the Marriott School of Business after the CHHP was disbanded and our department was moved to the business school.

Successfully guided the department through the transition to and integration with the Marriott School of Business. As part of the transition, led faculty in a strategic planning process and major curriculum change resulting in a new department name. The department name change at that time was to Recreation Management, with a program name change within the department from Leisure Services Management to Experience Industry Management.

Worked very closely with college deans during the transition years and built strong relationships with them.

Developed an effective approach to assessing program level learning outcomes to meet professional and university accreditation standards. The process led to productive curriculum discussions and improvement.

Completed managerial functions such as determining budget priorities, conducting annual faculty reviews, evaluating administrative staff I supervised, seeking internal funding to support faculty research and travel, advocating for department priorities, and supporting the mission of the college and university.

Graduate Coordinator (2002 – 2005)

Advised students interested in the M.S. program in Youth and Family Recreation. Interviewed all prospective graduate students. Assigned graduate students to faculty mentors. Organized and led graduate student orientations. Advised all new graduate students prior to their committee selection. Read and approved *all* thesis proposals.

Director, Conservation and Outdoor Leadership Training (COLT) Program (2000 – 2005)

Developed and implemented an off-campus experiential learning program for students in the outdoor recreation option. Developed three new courses as part of the program, supervised a student intern, developed and controlled the budget, and provided safe outdoor experiences where students learned and implemented leadership skills.

Adjunct Faculty, School of Family Life (2003 – 2006)

Taught SFL 100 once per year, a General Education class.

Department of Parks, Recreation, and Tourism
The University of Utah, Salt Lake City, UT

1997-1999 *Assistant Professor* (1997 – 1999)

Taught courses in the parks, recreation, and tourism core, the outdoor option, and in the graduate program. Taught two core classes per semester and mentored undergraduate and graduate students in research and classroom projects. Advised undergraduate and graduate students each semester. Fulfilled departmental and college committee assignments. Served on graduate student theses committees. Developed a new graduate class.

Graduate Coordinator (1998 - 1999)

Met with students interested in the M.S. and Ph.D. program. Organized potential graduate student registration packets for faculty to review and vote on acceptance. Assigned graduate students to faculty mentors. Advised new graduate students prior to their committee selection.

Department of Health, Physical Education, and Recreation
Murray State University, Murray, KY

1993-1997 *Assistant Professor* (1993 - 1997)

Taught courses in the recreation core, outdoor option, and in the graduate program. Taught 12 credit hours per semester and mentored undergraduate and graduate students in research and classroom projects. Advised undergraduate and graduate students each semester. Fulfilled departmental and college committee assignments. Developed two new

undergraduate courses. Heavily involved in NCATE accreditation process in the department and college.

Graduate Coordinator (1996 - 1997)

Met with students interested in the M.S. program. Assigned graduate students to faculty mentors. Advised new graduate students prior to their committee selection. Served on *all* graduate student curriculum and qualifying exam committees.

Department of Recreation and Park Administration
Indiana University, Bloomington, IN

1992 – 1993 *Visiting Lecturer*

During the third year of my Ph.D., I was hired as a lecturer in the department, a full-time, temporary position. I taught two classes per semester in the recreation administration core and outdoor emphasis. Served on departmental and college committees.

National Center on Accessibility
Indiana University, Bloomington, IN
1992 *Research Associate*

Assisted with as well as led research projects related to accessibility issues in outdoor settings. Worked closely with the National Park Service to develop and conduct research projects.

Department of Recreation and Park Administration
Indiana University, Bloomington, IN

1990 – 1992 *Associate Instructor*

As part of my university funding during my doctoral program, I worked with a faculty mentor to assist with teaching classes and conducting research.

PROFESSIONAL EXPERIENCE
